HARDWARE MANUFACTURER

OEM / ODM Processing & Manufacturing

ISO 9001 · ISO 14001 · ISO 45001

Company Profile

Tung Jui Yih Enterprise Co., Ltd. was founded in 1991. It specializes in the production of bathroom hardware, building hardware and other hardware-related products. It has more than 30 years of production technology and development experience. Its products are mainly sold in the United States, Japan, Europe and other regions, and have passed ISO 9001:2015, ISO 14001:2015, ISO 45001:2018 certification.

For more than 30 years, we have professional factories in die-casting, forging, CNC processing, plastic injection, stamping and other related fields. We provide customers with a complete one-stop service from receiving customer needs to inspection, assembly and shipment, so as to improve customer development and shipment speed and launch high-quality products according to customer needs.

Services

Materials:

Brass / Zinc / Aluminium / Steel / Iron / Stainless Steel / Magnesium / Plastics, etc.

Processing:

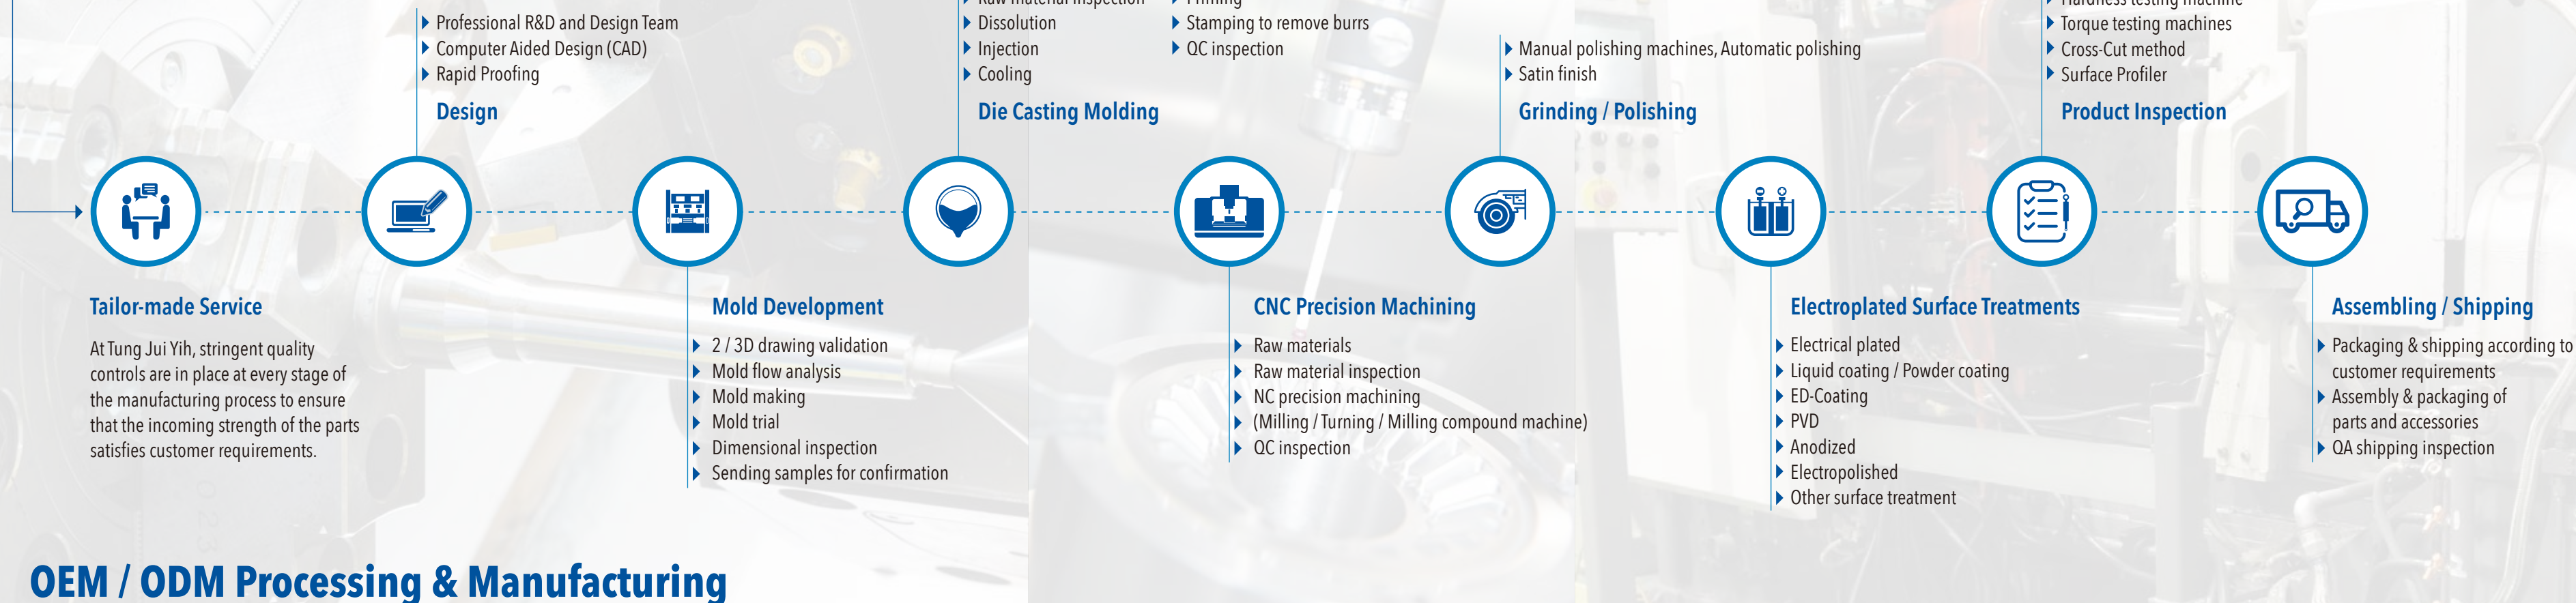

Casting / Forging / Die Casting / CNC / Stamping / Injection / Lost Wax Casting, etc.

Finishing:

Electrical plated / Liquid coating / Powder coating / ED-Coating / PVD / Anodized / Electropolished, etc.

Process Technology

Tung Jui Yih is able to provide a wide range of tailor-made services according to the needs of our customers.

Stamping Parts

Zinc / Aluminum Alloy Die Casting Parts

CNC Lathe Parts

Precision Plastic Injection

CNC Milling Machine Parts

Forging / Casting Parts
